Subject: Please cancel all Hewlett Packard Contracts
Date: Friday, April 20, 2018 6:43:41 AM

April 18,2019

Please cancel all contracts with Hewlett Pcakard because of their inhuman involvement with Palestine.

The suvreillance tools and identity cards used to maintain Israeli occupation of Palesinians
are created by Hewlett Packard.

This is my first letter to you since I consider this issue very serious. Many in Cambridge feel the same

Thank you,

Marietta M.Sbraccia
